

# THE MAXWELL DISC METHOD BENCHMARK AND INTERVIEW PROCESS

*You hire the heart of your organization. Your team is your direct connection to the people you serve. You entrust your team with the precious responsibility of carrying your vision from paper to practice every day. The **Maxwell Benchmark and Interview** process gives you the peace of mind that your vision will be carried in good hands.*

**Our process and report provides you with the ability to:**

- » Create candidate benchmarks.
- » Utilize customized interview questions based on how close a candidate is to the position's benchmark.
- » Access detailed information about the candidate's communication style, job strengths and weaknesses, patterns of behavior, team thinking style, and workplace values.

The **Maxwell Benchmark and Interview Report** and process allows you to set the standard you want that role to live into in areas of strengths, communication, thinking style and more. Utilize customized interview questions based on how close a candidate is to the position's benchmark.

You're not just assigning a title, you're starting a transformation in your team and your organization!

Set the benchmark for your organization's success with the **Maxwell Benchmark and Interview Report**.
